PROFESSIONAL SUMMARY

WordPress Developer and Systems Analyst with experience building, maintaining, migrating, and optimizing websites for companies, organizations, and institutions. I work with WordPress, Elementor Pro, Divi, PHP, JavaScript, HTML, CSS, MySQL, cPanel, and Linux, combining visual builders with custom code to solve technical requirements, improve performance, and maintain secure, responsive websites.

TECHNICAL SKILLS

CMS & Builders: WordPress, Elementor Pro, Divi, Joomla, WooCommerce

Web Development: PHP, JavaScript, HTML5, CSS3, jQuery, Responsive Design

Data & Infrastructure: MySQL, cPanel, Linux, hosting, migrations, DNS

Tools & Practices: Git, GitHub, Figma, Trello, SEO, maintenance, security, troubleshooting

PROFESSIONAL EXPERIENCE

Naaloo HR — WordPress Developer | May 2025 – Jul 2026

- Developed and maintained WordPress websites using Elementor Pro, HTML, CSS, JavaScript, and PHP.
- Performed WordPress, theme, and plugin updates, responsive adjustments, and technical troubleshooting.
- Customized pages, forms, menus, popups, and components based on team requirements.
- Worked with MySQL, cPanel, and Linux environments on maintenance, support, security, and optimization tasks.

Freelance WordPress Developer | Jan 2024 – Mar 2025

- Developed and maintained WordPress websites using Elementor Pro, Divi, and custom code.
- Customized themes and plugins, handled hosting migrations, maintenance, security, and issue resolution.
- Optimized responsive design, performance, and user experience according to each client's needs.

SELECTED WORDPRESS PROJECTS

AAENDE — WordPress, Elementor Pro | aaende.org.ar

- Contributed to building the website from scratch, creating and adapting pages and responsive layouts.

Fundación Balseiro — WordPress, Elementor Pro, migration | fundacionbalseiro.org

- Contributed to the migration from the previous hosting environment, WordPress reinstallation, and website rebuild.

WiN Global — WordPress, PHP, CSS, HTML, Linux | win-global.org

- Provided support and customized the existing theme, modifying PHP, CSS, and HTML directly from the hosting server's Linux terminal.

IB50K — WordPress, Divi | ib50k.ib.edu.ar

- Developed the website from scratch with WordPress and Divi, creating pages, layouts, and a responsive experience.

EDUCATION

Systems Analyst — Instituto Superior de Informática Virasoro (ISIV), Corrientes, Argentina | 2018
